A cubist painting of a harbor scene. The water is composed of various shades of blue and white geometric shapes, creating a shimmering effect. Several sailboats with white sails are scattered across the water. In the background, a town with dark, angular buildings and a prominent church spire sits on a hill. The sky is filled with large, stylized clouds in shades of blue, orange, and yellow, with a large, bright sun or moon in the upper right. The overall style is characterized by sharp, geometric forms and a rich, warm color palette.
